

Welcome to CASCAIS

Places not to miss

Fort of Guincho
Tamariz Beach
Bairro dos Museus

Owner of a very rich natural heritage, where the blue of the ocean, present in its magnificent beaches, joins with the splendid green of the Mountains, in landscapes that deserve to be immortalized in postcards and in our collective memory, this old fishing village, which does justice to its origins serving the best fish and seafood, that many consider the best in the world and which can be tasted in splendid outdoor terraces.

Cascais has a natural charm that invites you to walk through its historic streets, where the Portuguese royal family spent their summer holidays for many years. Be enchanted by this beautiful village and if you are a Golf fan, enjoy the 7 courses available to practice the sport, which Cascais offers you.

There are tours and experiences you can't miss, and that's why we've organized this welcome pack. Eternalize your memories and send a postcard from the city to a family member or friend. Enjoy these experiences that we have selected for you, with special discounts and share with us everything you felt.
